Notes

¹BLS' 2023 National Compensation Survey (<https://www.bls.gov/ebs/publications/employee-benefits-in-the-united-states-march-2023.htm>); data reported is for private employers in the New England region.

²Combined Social Security tax rate of 6.2% and Medicare tax rate of 1.45%

³Applies to first \$7,000 in wages

⁴Rate model assumption reflects the tax rate assessed to new employers (inclusive of the 0.13 percent Competitive Skills Scholarship Fund assessment and the 0.15 percent for the Unemployment Program Administrative Fund assessment) in 2024; tax applies to first \$12,000 in wages.

⁵BLS data for vacation leave is based on national data for employees with 1-5 years of experience (average for those with 6-10 experience is 13 days of vacation).

⁶In addition to BLS data, the U.S. DHHS' Medical Expenditure Panel Survey data for Maine was reviewed. The average premium across all employers in 2023 was \$741 with an employer share of \$611 for an employee-only plan (Tables II.C.1 and II.C.2), \$1,401 with an employer share of \$1,049 for an employee-plus-one plan (Tables II.E.1 and II.E.2), and \$2,101 with an employer share of \$1,567 for a family plan (Tables II.D.1 and II.D.2).

⁷BLS provides information for a variety of other benefits that cannot be combined
