

# Integrated Care for High-Cost Populations

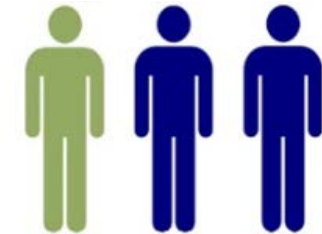

Preston Cody, Division Director  
Medicaid Program Operations & Integrity  
October 2, 2018

# What we do at Health Care Authority

---

- ▶ State's largest health care purchaser
- ▶ Medicaid (Apple Health) 1.8 million people
  - ▶ Public Employees Benefits
    - 370,000 people
  - ▶ School Employees Benefits (2020)
    - 144,00 more covered lives coming
- ▶ Driving innovation through standardization
- ▶ Implementing Medicaid Transformation waiver through 2021

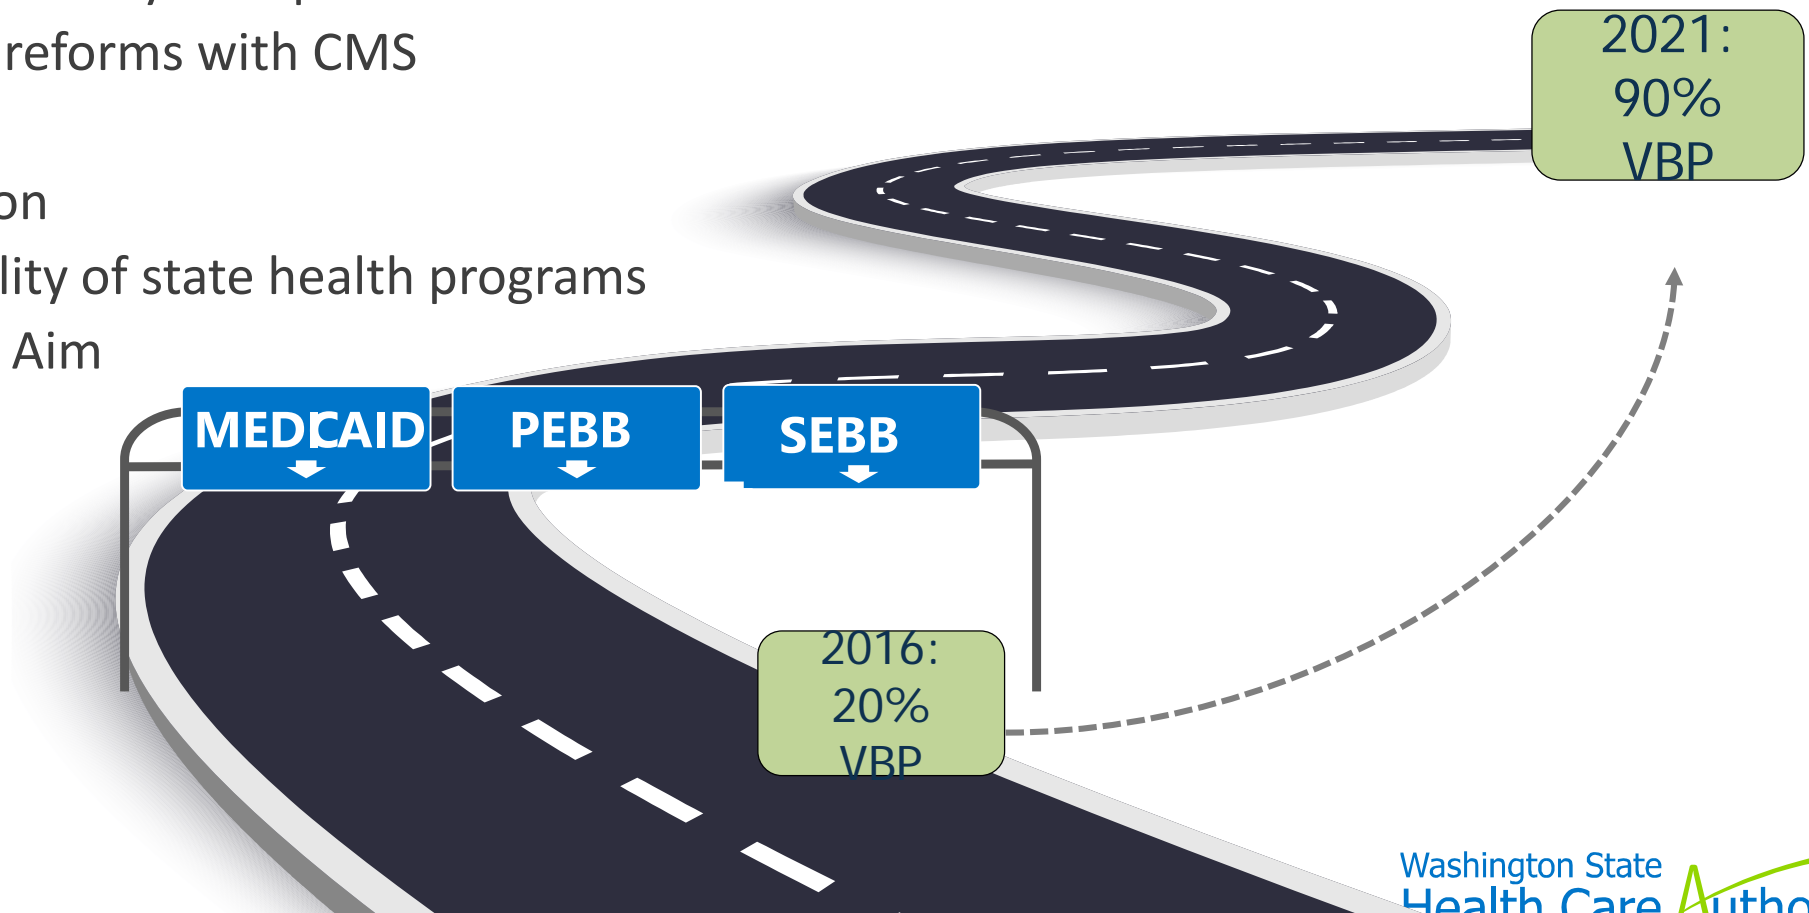

We purchase care for 1 in 3 non-Medicare Washington residents.

# Value Based Purchasing Roadmap

## *Using incentives to drive change*

- Reward patient-centered, high quality care
- Reward health plan and system performance
- Align payment and reforms with CMS
- Improve outcomes
- Drive standardization
- Increase sustainability of state health programs
- Achieve Quadruple Aim

# Clinical / community linkages through Accountable Communities of Health

Focus on:

- ▶ Addressing health issues through regional collaboration
- ▶ Community, stakeholder, provider engagement
- ▶ Integration of physical & behavioral health
- ▶ Medicaid Transformation waiver
- ▶ Social determinants & equity

## A few of our challenges

---

- ▶ How to best organize / structure care
- ▶ Adequate networks and access for members
- ▶ Changing federal requirements
- ▶ Meaningful member engagement
- ▶ Limited resources to address social detriments (i.e. housing, etc.)
- ▶ Addressing health disparities /equity

# Questions?
